

February 15, 2017

St. Rose of Lima- Portland, Oregon

discovery **WORKSHOP 1**

workshop date: February 12, 2017

475 registered families

Worship:

Mass: 500 maximum occupancy

5:30 pm, Saturday

7:00 pm, Saturday NCW – conference room

8:30 am, Sunday 160-200 p

10:30am, Sunday 300p

12:30 pm, Sunday – 2nd Sunday Mass for the Disabled 30p

8:00am Weekday Mass Mon-Sat – 30-50 people too large for chapel

Wednesday school attends

Christmas, Easter full with choir loft

Children's 5pm at Christmas fills church

Reconciliation – Sunday 7:30am, Saturday 4:00pm

2 spaces – 1 space in old restroom (?) very small

Cry Room/Quieting room is in Narthex

ADA access for mass is up ramp through office

Sacraments: Baptism – during mass less than 10 at easter

1st Eucharist – 7+ meet between masses

Confirmation

RCIC/RCIA – Sunday afternoon Conference room– 5-10 group

Choir

Adoration chapel – 1st Friday 7pm

Vesting – occurs in hallway of office – needs a designated area

Narthex needs to be larger

HVAC / fans – better air flow, air conditioning

Electrical upgrades

Seismic needs to be address

Stained glass blocked and look dark – would like them lit up

Place for strollers

Storage / Working Sacristy upgrade

Consolidation of parishes?

Would like a devotional alcove

Security? Cameras at front/parking

What do you like about your current worship space?

- Never better! It is full of people
- Able to see choir/singers
- Like the 20's Hollywood architecture
- Like the frontages
- Like entering from all directions
- Stained glass
- Historic
- Beautiful
- Not in the round seating
- Open – no columns
- Simple
- Good meatballs

What needs work?

- People with disabilities/mobility constraints are unable to participate
- Would like easier access for elderly – ramp is too far
- No kneeler in front row
- Heater/ Air Circulation
- No quiet room – current use of narthex
- Bell tower should work
- Do not like being able to see choir/singers
- Restroom location – move to narthex and add baby changing station
- Future costs of Energy – solar/led lights, etc.

Faith Formation:

Children's Liturgy of the work

Pre-School – 6th grade

At 10:30 mass meet in school rooms

CCD - Super Sunday 5-7:30 – 3rd-8th

30+ kids 1X month – cafeteria for meal use classrooms and church

Nursery – 10:30 mass and as needed

Atrium – Good Shepard – weekly on 3rd floor of office bldg.

Vacation Bible School – glad days St. Rose/St. Charles

Adult Education – various meetings in conference room

Administration:

1 full time Pastors

Staff Members:

Offices

Community Life:

Space needed for 250-300 people seated at tables.
Gym/cafeteria - do not have ADA access , not large enough, hard to access from exterior

Fellowship after Worship in Cafeteria – 24 for coffee/donuts
Accessibility is an issue

School Auction – happens off site due to space – German American Society

Wedding Receptions/Funerals / Church Events

Smaller receptions in meeting/conference room

Fish BBQ – in summer outside event

School events in cafeteria – all fit but auction

Dinner, Graduation Brunch, Grandparents Day

Chili cook off - with children's activities

Social Action:

St. Vincent De Paul

Currently in basement – space is large enough – access is downstairs

Food is currently delivered

Satellite Pantry at Hollywood East

Annual food drive –

gather food from neighbors

make baskets

all in conference room areas

School collects lunches and delivers with students to St. Francis

Physical Plant/Site:

Parking /Site

162 on site

Need ADA access – parking to buildings

Wayfinding is problematic

Elevator

Access is a challenge for older parishioners

Parking adequate during week – Sundays , Holidays and Large events it is full

Dedication of parking to Our Lady of La Vang

Traffic flow during school – organized but there is traffic

Need Lighting at parking

Could have receptions if hall was accessible and hospitable

St. Rose School:

224 Students – 1 class per grade

Pre K-8th grade

Like small size of school – know most students, go through school with same group of kids

Classrooms

Pre K – 20 cap

K – 24 cap

1-8th – 30 cap

Gym – below nave

Daily use

Not currently full size to host CYO

Use stage for drama productions

No ADA access

If full size gym – basketball possible and marketing tool, increase enrollment

Funding from CYO?

Extended care – 7am-6pm

Cafeteria/Kitchen

Need chair/table storage

Kitchen was remodeled

Electrical old in cafeteria

School uses kitchen/cafeteria daily

Proximity to exterior is a problem

Kitchen too far from conference area – only cold items for funeral gatherings

Outdoor

Covered play area – used by school and church

Playground – open to public non school hours

Fenced area at parking for outdoor play

could use more privacy/some like open

Courtyard is underused – Grotto?

Natural area /Garden/ Greenery – use for stormwater and education

Play field - income generator

Need lighting in parking/play area

Offices

Staff room is small

Programs

Need additional space for resource specialist/tutoring room

1/3 size of classroom

Use as break out room

Could share with church

Mass – attend morning mass

Art – use room above office

Music – use room above office

Science

Outdoor learning

Could have cradle care/early ed with more space
